

Concert Attire Guide

Approved by Committee of Management 3 February, 2020

The following Concert Attire is preferred for all concerts performed by Chime Choir. It is an expectation that choristers adhere to the descriptions as set out, to ensure a consistent, polished and professional appearance for the group.

Ladies, please pay particular attention to the length of your dress or skirt. Floor-length means that material should touch the floor (or come very close), covering your shoes when performing. The front row of the following picture shows a few good examples of what Chime is aiming for regarding skirt length and conservative necklines.

Please note: On occasion, changes to the concert attire may be requested (e.g. a splash of colour), however, this will be detailed on the Chorister Information Sheet for the relevant event.

STANDARD CONCERT ATTIRE

All Choristers:

We request that choristers refrain from wearing perfume or aftershave at rehearsals and concerts, to avoid discomfort to choristers with allergies. Please ensure deodorant is worn at all times (roll-on is preferred to aerosol).

Women:

All clothing is **Black** unless otherwise stated. Fabric may be plain or have a subtle texture, but must not be see-through (sheer sleeves are acceptable).

- Floor-length dress with sleeves and conservative neckline
- OR
- Floor-length skirt plus top with sleeves and conservative neckline
- Black opaque stockings or stocking socks
- Smart black closed-toed shoes (not boots), comfortable heel height
- Silver sparkly jewellery - earrings and/or necklace
- Neatly styled hair
- Makeup - foundation, eye-makeup, red shade of lipstick

Note: Heavy makeup is not necessary. However, some makeup is preferred, to enhance facial features and present a polished and professional look for the choir.

Men:

All clothing should be **Black** (not charcoal or navy), unless otherwise stated. Fabric should be plain (no pinstripes).

- Black, single-breasted suit
- Black belt (if required)
